5-25-Sacks Meal 4466 lb 893 16/50 bu
5-15- " Corn 635-20 " 1134 16/56 bu

As soon as this lot of Meal and
Corn was receivd I placed a Man in charge
of it (by the name of James Graham)
he was taken sick soon after he was
put in charge of the Stores and died
in a short time afterwards, which fact
of his being sick I did not know until
about the time he died, while this Man
Graham My Agent was Sick the Cavalry
stationed in the Vicinity used a considerable
portion of Corn & Meal without giving receipts
as I afterwards learned from the Millers as
soon as I heard of Grahams death I sent
another Man to take charge of Meal and Corn
about this time Forbis was ordered to be evac-
-uated and I forthwith applied to Capt Wetter
a 2 Mule for transportation to bring the Stores
away and was informed that the Cars would
not be allowed to go as far up the road as
Greentown, I then sent for Stanton My Agent
owned to sell it rather than let it fall into
the hands of the enemy. the Consequence was My
Agent sold the remainder of it for Five Hundred
dollars thinking that it would be certain to
fall into the hands of the enemy
I Certify on honor that the above statem-
-ent is correct

to this Department, which should be attended

[illegible] this has [illegible] most
unfortunately occurred upon the Eve of Parliament a
very serious [illegible] this Case. Colonel Fraser has been employed
in the Paymaster Department ever since the Commencement

the Department will lose the services of a valuable man.
He was [illegible] a vacancy has been for some [illegible]

to his duties as a Post and Chief Commissary. He is
well known in the Eastern & the Counties in which he is

will not feel that interest in the discharge of their
particular duties, so very necessary in the Army.

Col:

The reason is the lesser of the discouragements expressed in your communication of this evening, I make the following statement

As soon after the battle of Shiloh as I could procure the proper data I made estimates and requisitions on May 3d for the Pay Dept, for funds to pay the officers and troops of the 1st to 30th inst inclusive (34.176.00) Thirty four thousand one hundred and seventy six dollars of which (being all I could at that time) I received on the 9th of April. Amount rec'd was $16.000.00 to the Brigade Mr. of the C. Stedham and Col Burnes Brigade to pay their troops up to the 30th Mar. the last to which the 1st Kentucky Brigade had been paid, except the Battalions and Companies separated which was paid out of the $10.000.00 referred to. ... I have all needful papers done up ... I have not at once visited the Brigades Mr of the 1st and requested them to make their estimates for two months pay and receive their proportion of the funds, which are now deposited ... to them subject to ... Subsequent of the sum $24.000.00 by the paymaster Genl Dept ... Capt Dalling who is set down as one of the witnesses to prove the charge against me was ... Col of 2nd Indiana Brigade which I was

and received on the 11th of June $98.000cc
to pay the Officers and troops of that Brigade.
Capt Cargill who was assigned to the duty
of paying the 2nd Brigade on Indian Stores
at Abbeville and by actual survey of
Austin turned over to me $55.920cc of the
funds which had been appropriated to his
Brigade, out of which I have been paying
the Officers and discharged soldiers of
that Brigade and will expend the
balance in the payment of the troops
as soon as practicable. That I suppose it
to have made and forwarded my
estimates for May and June to May about
the 9th of June, That estimate together
with estimates for back pay - commutation
for clothing and bounty money due the
Old Regt at your Office in
for the Brigade mentioned above. I hope
that I may be excused for adding to the
foregoing estimate the sum of $20 000 with
the understanding that I am to
draw funds as I may require of May
Smith. But having been able to draw
funds to defray expenses of our late
march I am under the necessity of ap-
pointing some $14.000cc or $16.000cc of Dec
funds for that purpose, which reduces the
Amount about $20 000cc Bounty and
$30 000cc Bounty money not otherwise
appropriated.

The Journal understands the counter
assignments under which all the Militia
of this commonwealth has labored, on
account of our continuous boundaries
and if I have failed to do my
whole duty, it has not been on
account of any willful neglect on
my part.

I have seen the written application of Myr Boyd soliciting a transfer to the Corps of Engineers now about being organized & also the communication of Col. Corcoran in relation thereto.

It affords me pleasure to be able to say that the facts therein stated are known personally to me to be true, and that I have known Myr Boyd from his infancy. He was born and raised in the town of Wytheville, the place of my residence. His qualifications are undoubted, and his moral character unexceptionable.

I hope it will be the pleasure of the Hon Secretary of War to confer the appointment, & assure you that in that event neither you nor the service will have any cause to regret it.

Hon.ble J. P. Benjamin

Dear Sir,

I take pleasure in introducing to your acquaintance Major David F. Boyd, whose name as a prominent Professor of the Military Institute of Louisiana is probably already known to you.

At the breaking out of the war, Major Boyd, at once, volunteered into the Army, where his manifest abilities and talents soon raised him to the position he now holds in the commissariat department.

He now wishes to be transferred to the corps of Engineers, for which Service I am convinced from my knowledge of his eminent scientific attainments he is fully qualified and calculated to render even more valuable services than in his present office: your favoring him with your influence in this matter, while it will be procuring an advantage to the Service of the confederacy, will be held also as one rendered personally to

Honorable

Secretary of War,

Sir,

Having noticed in the public prints, the progress of a bill for the creation of an addition to the corps of Engineers, allow me to mention in this connection the name of Major David F. Boyd, whose education, opportunities and services, unite as claims for his transfer to that new corps.

A graduate of our University, Major Boyd was called to a professorship in the Military Institute of Louisiana, where his abilities were duly appreciated; he did not hesitate a moment, however, to leave that post upon the breaking out of the war, to join in the defence of his country; his abilities very soon raised him to the rank he now occupies in the Commissariat of the Army.

My knowledge of his acquirements induces me to take the liberty of addressing you on the subject, convinced as I am, that he will render valuable services to the Confederacy in the new office he is about to be engaged in, and that he will do credit to your appointment.

Very respectfully

H^d Q^rs 8th Brigade Ewell's Div^n.

Commissary Genl, Camp near Gordonsville,
August 10th 1862.

Sir.

On 24th May last I was relieved of duty as Regimental Commissary in 9th L^a Reg^t. by order of Genl Taylor, and assigned to duty as Brigade Commissary in this (8th) Brigade. On July I resumed my Commissary as Brigade Commissary Dated May 24th 1862.

I regret that I have not been able to render in my accounts as Regimental Commissary. But it was clearly out of my power to do so. For the reason that most of the while I acted Regimental Quartermaster by order of my Col. and for some time the Brig. Q^r M^r by order of Genl Taylor. Holding both offices at the same time with my Commissary duties. Several times I have asked to be relieved, but with no success and twice I have been Ranked in my Resignations. But as reply whatever was given. Since March this Brigade has been continually in motion and I might say in battle. So I think I could not well do more than to keep my Books in such shape that when the active operations of the Campaign are over, I can in a short time consolidate the whole and make the proper returns.

Any returns of Money received up to Last date was made this Brig: Depot, Camp

of this Brigade at that time.

I have not yet been informed by the Dept of the receipt of my Regimental Board - which I examined in Richmond Sept 29th 1881 before Judge Meredith Wm J. Boyd of Maryland (then residing in Richmond & a prisoner) and Wm A. Stuart of Va during the Armistice. I do not know that it is the custom of the Dept to give information one way or the other about it. I was told, however, by Gen Taylor to give myself no uneasiness about it - that I was certainly cleared, if it had not been so, or if there was any thing wrong about it.

Mr Boyd's being a citizen of Maryland has made me doubt whether his name was to be acceptable to the Dept - but I was assured at the time by persons professing to know that it was make no difference.

Hoping to get an immediate answer in relation to my Board,

I am most respectfully

D. F. Boyd

Maj. & C.S. 8th Brigade

Ewell's Div

P.S. As to my Board as Brig. Commissary, I have my vouchers ready to give the required surety, when it is possible for us all to assemble together before a Judge of the Circuit or Union Court, which I fear will be impossible while active operations of this campaign are going on.

H^d Q^rs 1st Lt^a Brigade,
Octr 24th, 1862.

Hon: Lieu^t of War. C.S.A.:

Sir,

On the 14th inst: I received a notification from the Adjutant & Inspector Genl's (this the Commissary Genl's) that my name was dropped from the Rolls of the Army August 2nd 1862 for want of Bond. Said notification was addressed to me as Captn & Commissary of 9th Lt^a Reg't.

I immediately wrote to the Commissary Genl to this effect: That I had executed a Bond in Septr 1861, which I sent to this office: that not having notice of its receipt last Spring, I consulted Genl Taylor whether it was safe to write to the Commissary Genl about it. He assured me not - that if no Bond had been received, I might have been informed of it long since.

I then asked Col. Northrop whether the order of the Adjutant & Inspector Genl, directed to me as Captn & Commissary of 9th Lt^a Reg't, also dismissed me from my present office of Major & Commissary of this Brigade, as commissioned May 24th 1862. I have not been on duty as Regimental Commissary since May 31st 1862. I have also executed and forwarded my Bond as Brigade Commissary, which, I think, has reached your office before this time.

I also asked him whether my name could not be replaced on the Roll of Regimental Commissaries, if I secured my Bond.

Whether I am re-instated or not, I will remove the Regimental Books, as it is highly important for me to be with the Books, which my Regimental accounts as Commissary & Quarter Master remain unsettled. From 1st Jan.y 1861 to 31st May 1862 I was Act.g Q.r M.r Sergeant & Colour Sgt 9th L.t Regt., as well as Commissary. I feel much hurt at the position in which I find myself. For I did every thing in my power to conduct my Regimental Affairs properly, and I believe I am entitled to an honourable discharge therefrom.

I have thought it best to make a direct appeal to you about my case, knowing that if you saw the justice of my appeal that you would remove the decision of the Assistant Inspector Gen.l.

Most Respectfully
I. F. Boyd

The accompanying paper will show you that I am an intimate personal friend of Gen W.T. Sherman U.S.A. I came with him from Nashby, and being brought ashore yesterday from the Steamer Diana (Gen Sherman's Hdqrs) to this place in the absence of the Gen I would be obliged to you to permit me to go to the Boat to-day to see him. If it is improper to grant me a Pass may I ask for that purpose, I hope you will send me in charge of a police. I will take occasion, Col, to state that I have been a prisoner for a month, was on Sick-parole in Nashby for three (3) weeks, and have not given those who entered to my knowledge the least grounds of complaint.

Hoping, Col. that you can afford me the opportunity of seeing again the distinguished officer referred to above & whom it was my good fortune to know well & intimately previous to the war. I am, Sir, with high respect

Statement of C. C. Boyd Esqr
at Grand Blanc Mich Sept 1865

Dear Sir

Sometime during the summer my Brother in Virginia
City Montana informed me that a man named Thompson had
given him a note (a Promissory Note) of $200 in gold for $250
in Currency, and had requested me to call on the same & collect.
& that upon the payment of $250 in currency he would give
me $50 & would send Thompson what I had received $150
and if he wanted any to send me more he replied. he
did not, shortly after I rec'd a letter from my Brother
asking about the Baker money, and wanting Thompson
sent him the $150 all I had collected & once few
weeks ago. I rec'd a note from Thompson asking for money
I stated to him as above, he then wrote a very bitter letter
saying he was ordered to collect and not Money but
had failed, I sent him my note and stated to him
that I had collected the Thompson & Baker note had
nothing of my own, & never owed Thompson any
money personally. Sometime in Feby 1864 I came
from Dryden Lenawee Co Mich, and
possessed with some means & credit, Bought a Farm
who owned a large Mill & resided 3 or 4 Miles from a little
town called Big Flat, while staying there some 20,
or 30 days under one, Stewart stopped at the Mill on
their way down Big Flat, one Bill Young from
named Neil Baker, who had left that place & came
the Federal Lines at Little Rock and returned and
was charged with distributing "Gault Circulars"
Major Stewart & Freeman told me the object of the party
and begged me to go if possible save the town

and the young man Baker, as he was of age & the
Family's his Mother was a widow Lady. and that any
damage done would be established upon their bill
of sales. I went as far as Big Flat and saved the
Town & the life of Bailey. by taking only one man and
going to his house, I took from Baker 4 inch pistol
which I returned to him, by his little Brother a few
days after, and begging him that I might see
that there were a great many men who were ready
to kill him, I remained there at Chatham Flat or some
3 or 4 miles from Big Flat, until the 27th March the day
I was captured."

After the surrender of Vicksburg, by permission of Lieut. Genl. Pemberton, I called to see Maj. Genl. Grant in reference to the case of Asst Surgt Boyd, and he agreed with me that he should not be tried, but that he would hold him as a hostage for the safe return of two of his Asst. Surgeons who were left with his sick at Jackson Miss in May last, & would release him immediately as soon as these Asst Surgeons were safely returned to their Division. — In pursuance of this agreement Maj. Genl Grant caused the names of these two Asst. Surgeons to be forwarded me by his Medical Director, which papers together with Maj. Genl. Grants endorsement thereon is herewith enclosed.

I learn from reliable sources that both the Asst. Surgeons have been returned — Surgt Boyd is still held as a Prisoner in Vicksburg and I respectfully request that the General Order this day issued be repeated to me and a flag of truce stating the facts & requesting the release of Surgeon M. H. Boyd. —

Very respectfully
Your Ob Svt

Brig Gen H. A. Wise

Dear Sir

My orders Have Been Countermanded in Regard to the Sending or giving Transportation for troops from this to Lewisburg. I Wish to know if I Have the Right to Send Mess Baggage Guns &c to Mar Point. by Wagon or otherwise. When I was first Put at This Point By Capt Harris. which Was Before your Went West and after you left, for Some Days there were Some troops. Came Here unprovided for in the way of Provisions and I as Asst Dr Master Have gave them meals on the line of March to Lewisburg only one Meal a day which Capt Wm H. Thomas Paid. I Have no Right to Volunteer Refuse to Pay

not that it was an Exfrangant bill but that I did pay in giving any Soldiers any thing to Eat this I thought hard and Espeacly hard that those men at the Hotels who furnisht the men with the meals shold Lose it. or that I shold Pay it I told Capt Harris that I wold Come there and make the nepesary Arrangements for the Transportation of you and your forces that Came with you and I think I Have Saved money at this Point Where the Piece was Paying 80 cts Hundred I Have Bin Paying 50 cts Per Hundred for the Most of the Supplies from this Point to Lewisburg. and the Price I am Paying is 75 cts Per Hundred I am Here Ready as ever and told Capt E.D. Harris that I wold Stay Here Tell the Cola See that I Cola and have him Sent Every Thing from Here as fast as it Comes without Detention at any Time Day or Night Hours. Capt E.D. Harris told me he Wold Not Pay More Price of Flour Per Month if it was not that I am a Poor man & Have five Children I Will give my Services freely. the Post Here is a Hard one I Assure you as I Have Had to Ride all night through These Mountains for Wagons. Having No notice of the troops Coming until they get Here in the Evening By the train and the same with the Supplies I Have never Detained any Wagon Here on Pay Waiting for Loading. as Has Been before I Came Here I know the Most of the People from Staunton to Charleston and Have the advantage of getting Wagons or any thing that may be Wanting and the Prices. Will you Be Kind Enough to Set My Price of Pay and give me My Duties in Regard to Supplying Troops with any thing to Eat on Route to Lewisburg from Here I Refer you to Capt E.D. Harris & Doct Hammond of Lewisburg

SURGEON GENERAL'S OFFICE,

Richmond, Va. 6th November 1862.

Sir,

Dr Boykin's letter to you of 29th. with has been received, and I would state for your information that Dr Boykin is the Surveyor at present stationed at Raleigh & Asst. Surg. Jones is Surveyor at Goldsboro.

When Dr Warren was about to be relieved as Med. Surveyor it was urged by the friends of Dr Boykin that he should succeed as Surveyor of N.C. - He was informed that a field surveyor would be assigned to duty at Wilmington N.C. (Dr Boykin) and another at Goldsboro (Dr. Jones) and a third would be stationed at Charleston (Dr. Stockdell) -

From some unaccountable delay Dr Warren has not turned over his property -

It is not understood why Dr Boykin persists in writing on this subject.

Very Respectfully

RECORD U.S.

WAR DEPARTMENT

Rec'd May 3/62

To the Honorable George B. Mac Clellan Secretary of War. —

Mr. Robert C. Boykin is desirous of obtaining a situation as Clerk in the War Department, or in the Quarter Master's or Commissary Department. He was Clerk in the naval store at Portsmouth for seven years, and for some time, all the duties of the position devolved on him, on account of the affliction of his father, (the Storekeeper) who was unable to do any thing. Mr. Boykin is well known to be a man of fine moral character, of strict integrity — of great intelligence and reliable in every way. He is a ready penman and a man of business.

Having lost his office by the death of his father, he would readily enter the service as a private, but a frail constitution forbids the hope that he could stand the exposure and privations of Camp life — Hence he desires a place, in which he may support himself, and be of some service to his Country. His testimonials from one, but little known to the department, and entitled to little favor, is as justly rendered as it is justly merited by this young man, who, I am sure, should he be fortunate enough to receive an office in any department, would be highly useful and acceptable.

I have the honor to be,
with great respect &c
L. B. Mallory.

Dear Mr. Hughes:

This is in reply to your letter of 8 June 1953, herewith returned.

A careful search of the Confederate military records in the Army archives has been made and nothing has been found concerning any service rendered by Stephen H. Boykin.

The records show, however, that one S. H. Boykin was appointed Captain, Quartermaster Department, 29 June 1861 from Virginia, and ordered to report to Quartermaster General. His name appears on a record which shows the following: "Officer Boykin this day filed McClellands Receipt and is therefore relieved from this suspension. Audrs Office Sept 25/61." His appointment was confirmed 24 December 1861 and no later record of him has been found.

This collection of records is by no means complete, and failure to find the entire record of Confederate military service does not indicate necessarily that an individual did not serve at some period not covered by the records.

Sincerely yours,

arraigned me, in secret, condemned me on "ex parte" testimony, and punished me to the extent of your ability, without even the semblance of a trial. My demands for a court of enquiry have been treated with contempt, my representations and the protests of my friends have failed to awaken you to a sense of the justice due me, You refuse a trial by a "jury of my peers" and still insist upon an infliction of the punishment to which I have been so wrongfully subjected, I am constrained to believe that my claims have been overlooked and the request of my friends disregarded, because of some deep-seated and most bitter prejudice against me, personally. But sir, if you were unwilling to reinstate me at Wilmington, or to give me a fair trial, you had an opportunity of placing me in a position which would have canceled my former humiliation and vindicated me before the World. The Office of Medical Director of General Hospitals for the Dept of N C was about to be vacated by the removal of Surgeon Covey, and my friends very kindly recomended me for the position, Gov Vance, with whose Regiment I had been connected for many months, and who had the best opportunities of acquainting himself with my qualifications

addressed a letter to the "Secretary of War" asking,
for my assignment to that duty, (as a personal friend
to himself) Lt Hamer, regular recruiting officer for North Car-
olina, on his own behalf and in the name of
the profession of that state, made a similar request
Major Genl Whiting, commanding the Department
of North Carolina, promised me that he would
do the same, and yet Sir, notwithstanding the
injustice with which you know I have been
treated, in the first instance, and in utter disre-
gard of the appeals of the representative men
of my State, you have ignored my claims
and appointed another to the position, in opposition
to the wishes of the Authorities of North Carolina,
I do not deny you the right to make such
assignments, as you think proper, but do you
think you have treated me justly? You punish
me without a hearing, and humiliate me without
giving me the slightest opportunity to vindicate
myself. You refuse to do me justice when the facts
of the case are made known to you, You deny
me a Court of enquiry, in direct violation of
my right as an Officer, and a Citizen, and
finally, when any promotion is asked for,

Yes I cannot secure justice at your hands, and have nothing to expect but a repitition of the indignities which have been heaped upon me, I hereby beg leave to tender through you my resignation as Surgeon in the Provisional army of the Confederate States, to take effect as soon as you send an officer to relieve me at this Post. I did wish to remain in the service as long as my life and health were spared have sacrifised my property, health and my all for my country. Private. Surgeon's Office

Wilmington, N.C. Nov 12th 1863

Sir

When this war commenced, I was in the enemy's territory, successfully engaged in the practice of my profession, & prompted by an ardent desire, for the triumph of the Southern cause, I immediately returned to North Carolina, and offered my services to her Governor, sacrificing thereby, my all, Library, furniture, and completely impoverishing myself and family, All I had upon earth was freely given, in order that I might serve my Country, in her hour of trial and danger. Through the kindness of friends, I was appointed Surgeon of the 26th N.C. Regiment, and served in that Capacity, until sometime subsequent to the battle before Richmond when, in consequence of the failure of my health, applied for lighter duty, Genl French, after enquiry, as to the manner in which I had discharged the duties of "field Surgeon", very kindly ordered me temporarily to Wilmington N.C. as Chief Surgeon of the Department of Cape Fear, where I remained until,

through the influence of Gen. French, Gen. Pemel, and others, was regularly appointed Medical Purveyor, and permanently assigned to duty at Wilmington N.C., the position was a pleasant one, and I was much gratified at the appointment. Patriotism and interest both, conspired to furnish motives for assiduity and fidelity in the discharge of the duties which pertained to my Office, and I labored zealously to supply to the sick and suffering soldiers, all that my department would afford, and at the same time, to disburse the funds confided to my keeping, economically, and judiciously, as an evidence of my success in these endeavors, I beg leave to refer you to my official papers and accounts, to the formal protests of the Commanding Genl against my removal, to the endorsement given by the Medical Director of that Department, to all my acts, and to the judgement of every Medical Officer in and about Wilmington (save two, who are my personal enemies, and who, I have good reason to believe, caused you to order me away without giving the commanding Officer time to answer your enquiries respecting some alleged impropriety of Conduct, on my part, in connection with the opening of packages reaching Wilmington, and the distribution of fruit to the

from trial, and without affording me an opportunity of ascertaining the nature of the complaints, or to make any explanation in regard to them, you peremptorily ordered me from Wilmington, avowedly as a punishment for misconduct. You do not say that the interest of the service demanded the transfer, or, that the individual sent to relieve me, is better qualified for the position, but you deliberately add insult to injury by admitting a purpose on your part to censure and punish me for "neglect of duty" I acted under orders from Genl Whiting, positive orders, which I could not disobey, without rendering myself liable to punishment. One yet Sir! you did not take the trouble to inform yourself upon the subject, but seized upon the opportunity, to punish me, in advance of that investigation, to which every precedent of the service and principle of equity entitled me. You say my neglect of duty, consisted in not forwarding copies of these orders to my superior. I beg leave to remind you that a copy of the order in regard to the package broken open "in transitu", was immediately sent to Surgeon Johnson, the Medical Purveyor at Charleston S.C. to whom they were directed, and who was acting in the capacity of my superior officer. But Sir, how was

Colonel

I was appointed a Major in the Active Forces of Virginia on the 29th April, and presuming that my Commission will expire at the termination of the year I do not think that I ought to be thrown out of the service, having been detached for the position I now occupy, and cannot now expect to be elected to position not being attached to any Regiment.

I respectfully request, if consistent with your views, that you state my case to the Genl Commanding and if he and you can recommend me to the Hon Secty. of War, that I may be transferred to the Provisional Army of the Confederate States, I would be very much obliged.

Hon. Thos. A. Scott
Assistant Secretary of War

Sir, I have heard intimated that in the appointment of Members of the Military Courts some stress would be laid on the fact of Military service having been rendered by applicants. As I feel a warm interest in several gentlemen from my state who have been recommended for these positions - and as nothing has been said I believe, in any of the letters recommending them about their military service - but mostly their

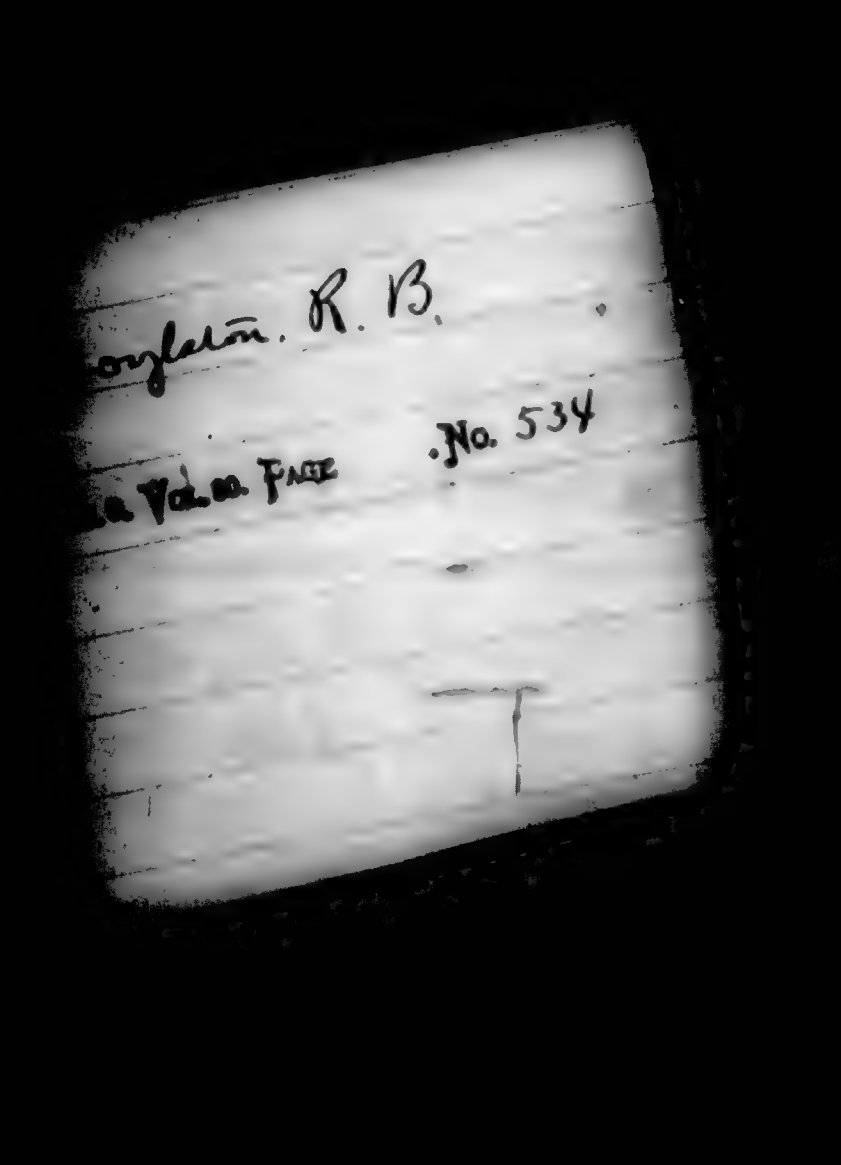

Capt. A. E. Young - (recommended as Judge Advocate has served in the Adjutant Genl's Dept. He was with Genl Drayton until very recently -

All of these gentlemen are men of the highest character & position and good lawyers. Without for a moment disparaging the claims of others I may safely say that as appointments, in my humble judgment, could be made in South Carolina, which would be better or give more satisfaction

Very respectfully
W. Porcher Miles

qualifications as Lawyers and as gentlemen who have had more or less experience in Courts Martial - I now desire to say that Mr W. H. Trescot served for many months on the staff of Genl Ripley while the latter was in South Carolina and was esteemed by him a most useful and valuable officer. This he did at his own expense as a Volunteer Aide and would have continued to serve in the same capacity when Genl R. was ordered to Va. had his circumstances permitted. He has suf-

fered severely from the invasion by the enemy - His plantation is in their possession and most of his negroes. His library - one of great value in Diplomatic works - was taken to N. York by the Yankees and advertised in the papers and sold at Auction. Mr Trescot is probably not unknown to you - at least by reputation. Mr R. B. Boylston has served in the army in capacity of Aide to Genl Bonham and subsequently has been doing duty as enrolling Officer. Genl W. E. Martin has served in various capacities in the Army first chiefly in the Cavalry

I have known R. B. Boyleston Esquire well for twenty years & more. During that time I have been one of the Law Judges of this State, and he has been a resident of Charleston, a Lawyer in good practice, and for several years a member of the Legislature. His learning and professional attainments are of a high grade. He is skillful in the management of causes: upright - for his probity & fairness - his integrity and as an Equity pleader and as a manager of business. his industry, assiduous & watchful in all his professional & managerial duties are remarkable. I have attended his Courts at the Charleston Legislature, and have heard him highly commended by many members of the Bench & Bar of this & other States. Gentlemen of long experience in the State are ready to testify to his eminent & standing as a Lawyer, according to any estimate of such qualifications, & his character would undoubtedly stand first & high.

To Gen. Randolph (Secty. of War)

Dear Sir

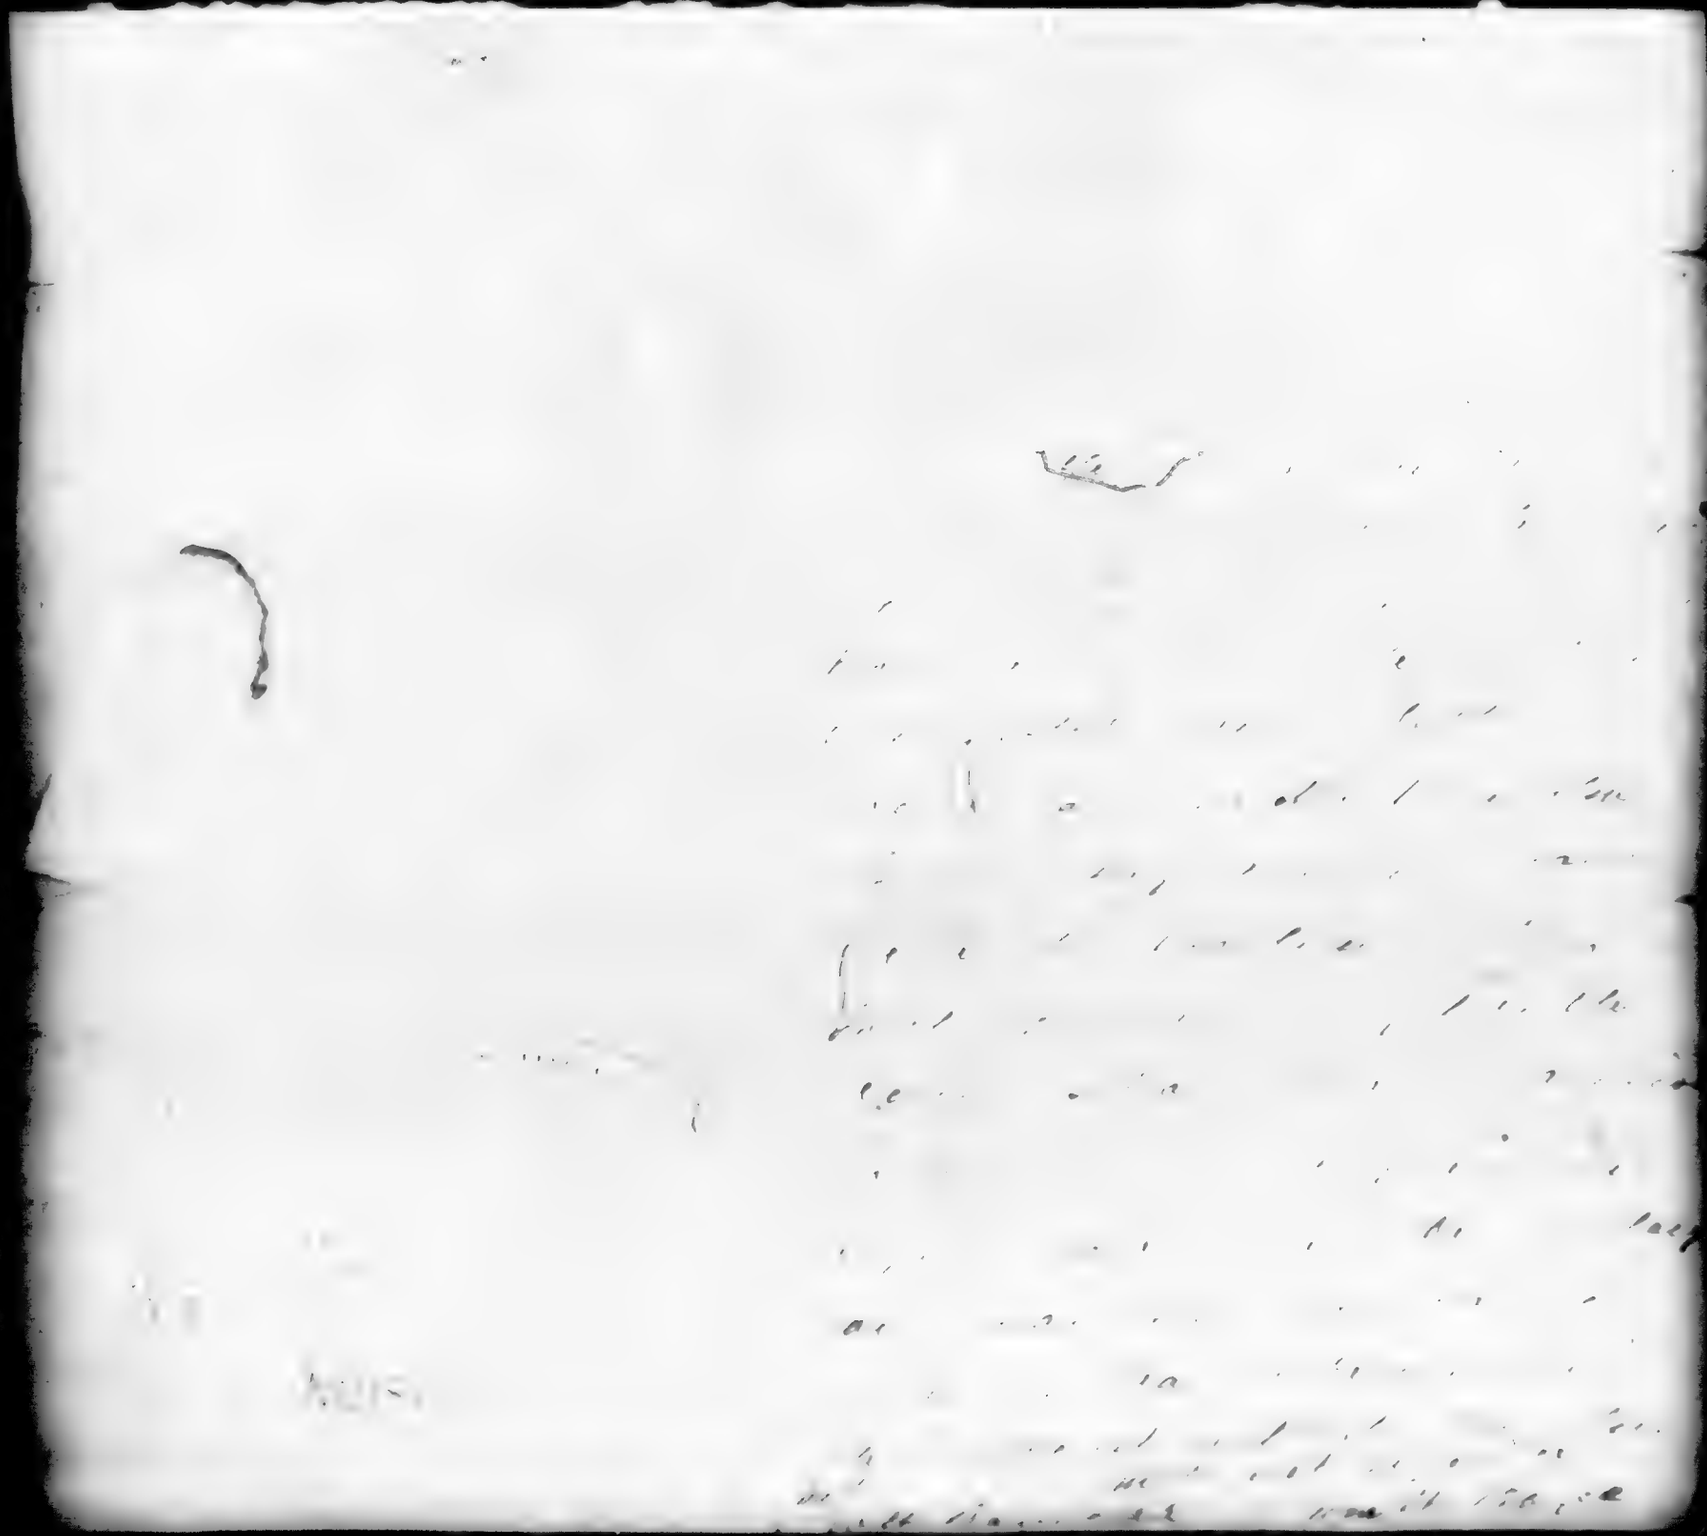

I understand that the delegation from this State & the Chief Justice & his associate, the Equity Law Judge & the Circuit Judge for this State have all recommended R. B. Boylston Esq of Charleston as one of the members of the military court under late act of Congress No. 43.

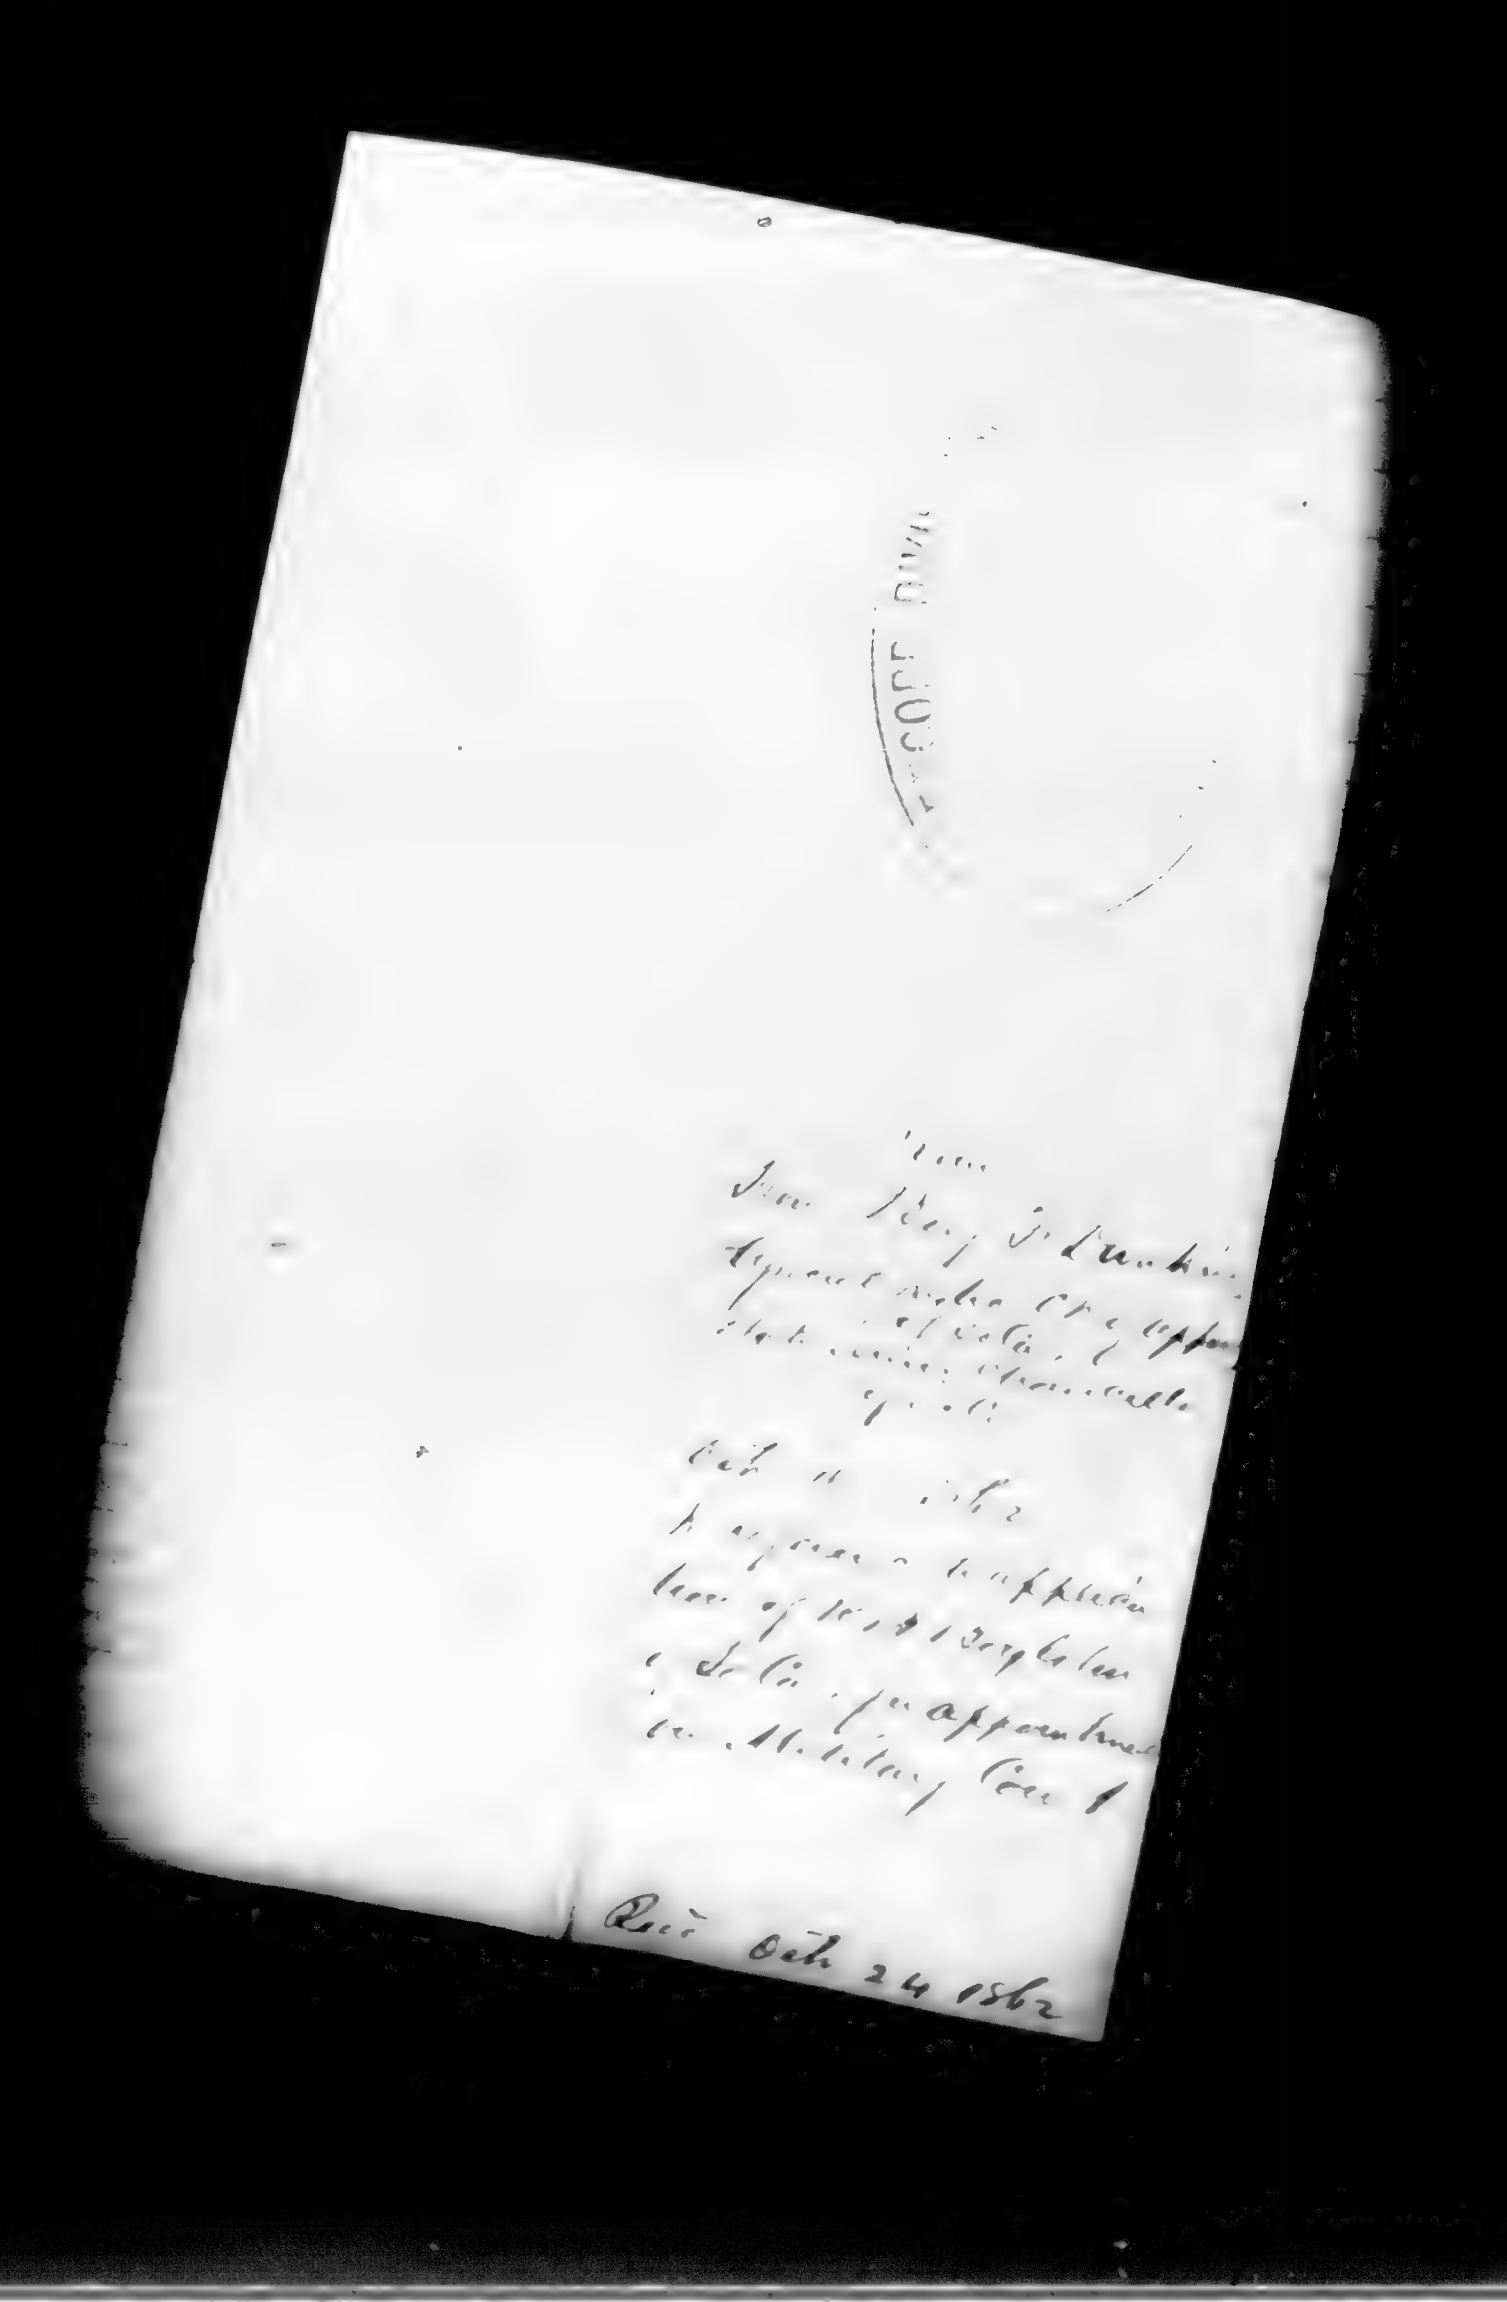

I cheerfully say in addition to this, that Mr. Boylston is an

of the most eminent members of
our Bar, and of course is
highly qualified for the appointment.

I write endorsing Mr Fitch's application same as I do
for the same court, and I do
not intend this to interfere with
that recommendation, but rather
to request to say I did not
forward at the time of Mr Boylston
because he was present. Mr Boylston
has been for ten years past a
distinguished member of the Legislature
and for the last four years chairman
of the Judiciary Committee.

It has been my good fortune to be intimately acquainted with Robert B. Bayleston Esq. from an early period of his life; and it affords me great pleasure to bear testimony to the high qualities which have marked his career - At school - in the South Carolina College - and at the Bar - he has always occupied a distinguished position - His mind is eminently clear and comprehensive - his judgment well balanced - and no gentleman of the profession is more remarkable for his practical information and systematic devotion to business - For several years a prominent member of the

Legislature of the State, he latterly
was Chairman of the Committee
on the Judiciary, a position clear-
ly indicating the public estimate
of his high professional stand-
ing and merit. When those
best qualified to form a judg-
ment have thus manifested
their opinion the recommenda-
tion of an individual might
be regarded as superfluous -
I can only add my conviction
that Mr Boyleston will merits
the distinction which he enjoys
as an honorable and enlightened
member of our legal fraternity

I have respectfully recommended Lt. S. Yonge 1st for an appointment as one of the Military Judges. In regard to qualifications as of the highest order and I would request that his recommendations, which were filed in the War Office when first the Military Courts were established by Law, may be again referred to pending the contemplated appointments for the new Courts. Among those recommendations will be found some from the most eminent Judges of South Carolina who place a very high estimate upon Mr Boylston's legal attainments. It is due to Mr B

Sir

I respectfully apply for an appointment on one of the Military Courts, which, I am informed, will soon be organized by the President

For my qualifications I respectfully refer to the testimonials now on file in your office, which were submitted, about November 1862, by the entire So Ca delegation in Congress, the late Chief justice O'Neall; Chancellor Dunkin, now Senior justice of the Court of Appeals; Judge Ward Senior Law judge of So Ca; Judge Magrath of the U.S. Dist Court, and others.

I regret that I am unable to accompany these with references to "distinguished services in the field". This is not owing however to a laggard spirit, as I have been in the field again and again since the very commencement of the war, although exempt, and have been compelled to retire, because of permanent "infirmity for field service", as declared by State and Confederate medical examining Boards.

I respectfully apply for appointment in the Engineering service, with the rank of Major.

I was a volunteer, though exempt from all military duty, in the first organization of 10,000 troops, raised in this State, in April 1861, and was appointed by Major Genl Beauregard, a member of his staff, with the rank of Lieut Colonel. Before these troops were called into actual service, I was invited by Gen Beauregard to position on his staff and was assigned to duty and served in that capacity on Morris Island, during first bombardment of Sumter. After the fall of that port, I accompanied Gen Beauregard, under orders of the Governor of So Ca, to Virginia, where I served with the Advance Forces, under his command, during the Spring and part of the Summer of 1861 and until his State staff was disbanded.

At the request of the Governor, I served,

Major, in June last, that I
entered the service as a volunteer; been

cause of physical inability for field service,
and in the latter, the Government were
disbanded soon after it had entered the
field.

I have been serving at Head Quarters,
Corps of Department of Dakota, without rank
or compensation, since 1 August last, by
invitation of the Commandant, who, as
well as the Superintendent of the Bureau,
have been thus enabled to form an opinion
as to my qualifications in this service.

Colonel: The application of Mr. Boylston for appointment in the Enrolling service, having been referred to me "to furnish the information called for by the War Department," I beg respectfully to state in reply, that Mr Boylston has been on duty at these Head Quarters since the 1st of August last. Although not liable to conscription (because of a physical infirmity) he yielded to my earnest solicitation to aid me in my duties, and has been in charge of one of the most important departments in my office, to wit: the investigation of applications for exemption under the 3d clause of the Act of May 1 1863. He is without military status, and is therefore serving without compensation.

I cannot too earnestly recommend his appointment. It is due to him, but due much more to the service that he should be retained. He is over 40 years of age; is a Lawyer of fine character and a gentleman of high social position. His earnestness and ability which he brings to the discharge of his duties, render him invaluable to me.

I have just been informed that an application is about being made for the appointment of R. B. Secy of War,

Sir, I have the honor to join in the recommendation of Hon. R. B. Boyleston for the appointment of Major in the Enrolling Department.

Mr. Boyleston in my judgment is peculiarly fitted for such an office by both experience natural talent & experience. Besides being a gentleman of liberal education he has been for many years one of the leading Legislators of South Carolina — in that capacity having been Chairman of the Committee on the "Judiciary" and Speaker of the House of Representatives. He was a member of

I will only add my unqualified testimony to the uprightness & purity of his private character with which I have been intimately acquainted by personal intercourse for many years. I would be much gratified if he could receive the appointment asked.

Surgeon James H Williams U.S.A
Medical Director of the Army of the Ohio
Sir

Sundry Surgeons and Assistant Surgeons are ordered away to attend to important private business and of those absent the Army Medical Board now sitting at this city cannot meet for several days. The Surgeons of the Post of Marietta who have received being summoned to appear before the Board will not be in time to meet it unless it does not sit for several days.

I am

Dear Sir:

Since writing Medical Board
I have just received through Surgeon Letterman
further instructions from the Surg
Gen'l of War which are peremptorily to the
effect that all Surgeons & Assistant
Surgeons now in the Service shall
be examined. In order therefore
that we may adopt some systematic
course, I will have to trouble
you for a list of those Officers you
have for the present under the Regt
& Brigades to which they are individ-
ually attached, & those stationed
also state the Brigade Surgeons.
By early attention to the above you
will greatly oblige the Board.
An order was issued this morning
to the effect that all heavy baggage
be sent back to Manassas. They
say all parcels sent to D. Quarter-
Master a trunk &c. Carpet bag & that sort
of thing.

which I shall send back in charge
of some one. You will oblige me
very much by having them taken care
of in some safe place.
If it will not trouble you too much
I will also regard it as a favor
if you will enquire of the Librarian
of the Military & Naval for a book
entitled United States Army Regulations
which some one borrowed from
there of Capt. Manassas. I borrowed
the book myself from Dr. C. B. Tillinghast
& this name is probably written in
it.
Have it not been for the sentiments
here & day, occasioned by the pouring
in of troops back, I should have
gone to Manassas. I hope
you are having a nice time
there. It will not be long before
we will have the pleasure of seeing you
here. Oh that could be a state of
affairs in Maryland.

Yours Very Truly
Wm. Bryan Lindsay C.S.A.

Sir,

Allow me to bring to your notice for the appointment of Asst Surgeon, John S. Bozeman, a graduate of several years standing of the Charleston Medical College. He is qualified for the position, as a thorough acquaintance with him in the discharge of his duties as Hospital Steward of the Hampton Legion in the last position under, has been abundantly shown me, when in changing our position, he has managed temporary hospitals of sick and wounded to the satisfaction of all concerned. I have selected him, for one competent to attend his proper share of medical aid in this division or elsewhere, and therefore beg you the consideration of his appointment.

I am Sir
very Respectfully
